

LAPIDOR BROŠURA

BREZČASNA ELEGANCA NARAVNEGA MARMORJA

"Narava ustvarja edinstvenost. Mi jo pomagamo izraziti."

NAŠA ZGODBA

UMETNOST ROČNEGA DELA

Blagovna znamka **LAPIDOR** se je rodila iz osebnega potovanja po Vietnamu, kjer nas je prevzela izjemna lepota naravnega marmorja in mojstrstvo tamkajšnjih kamnosekov. Ob opazovanju njihovega dela smo spoznali, da pravi luksuz ne nastaja na proizvodnem traku, temveč v rokah ljudi, ki z znanjem, potrpežljivostjo in spoštovanjem do naravnega marmorja ustvarjajo brezčasne mojstrovine.

Ime naše blagovne znamke **LAPIDOR** izhaja iz latinske besede lapis – kamen. V sebi združuje večnost naravnega materiala in mojstrstvo **ročne obdelave**, kjer vsak kos marmorja postane edinstveno arhitekturno delo.

*"Vsak **LAPIDOR** izdelek je edinstveno **ročno delo** vietnamskih mojstrov in izraz narave. Njegova brezčasna vrednost ne temelji le na lepoti naravnega marmorja, temveč tudi na mojstrski ročni izdelavi, zaradi katere z leti izdelek ne izgublja svoje vrednosti – temveč jo pridobiva."*
